Regulation 19 – Adoption Statement regarding Supplementary Planning Document

Alresford Town Design Statement (TDS)

Winchester City Council and New Alresford Town Council have produced and adopted a Town Design Statement for Alresford which identifies design criteria against which planning applications in the area will be assessed.

The Alresford TDS is a Supplementary Planning Document that supplements the Winchester District Local Plan Review (WDLPR 2006) and, in due course, the emerging Winchester District Local Development Framework (WDLDF).

The document was adopted as supplementary to the Winchester District Local Plan Review by the Council on 02 April 2008, following the public consultation period held between February to April 2007.

The TDS incorporates within it a Statement of Public Consultation, which outlines the main issues raised in the consultation exercises and how the Council has addressed these issues in the final document. This Statement appears as Appendix A to the TDS, and fulfils the requirements of Regulation 18(4)(b) of the above regulations.

Any person aggrieved by the adoption of the Alresford TDS may apply to the High Court for permission to apply for judicial review of the Council's decision to adopt it. Any such application for leave must be made promptly and in any event not later than 3 months after the date of this notice.
