All in All I think the closing of the Car Park in the evening is working so far.

- Concerns from 2 residents that the gates are not opened at 6.30am for them to park in Arlebury Park and use Perins gym (using Perins would incur a fee for parking and Perins don't like residents parking in their car park)
- Clerk concerned that 6.30am is too early for the some-one to open the gates as there is no employed caretaker
